# THE ROUTES

## **Metric Century (65 miles, 1,400 feet of climbing):**

The route leaves Linden and traverses the quiet back roads of San Joaquin, Stanislaus and Calaveras counties, including a portion of Stage Three of the 2011 Tour of California. The towns of Linden, Peters, Farmington, Eugene, Milton, Jenny Lind and Bellota await you; almond, apple, cherry, peach, pear, plum and walnut orchards, and vineyards abound. Three rest stops, including lunch, will provide fuel and hydration along the way.

## **Quarter Century (25 miles, 300 feet of climbing):**

The route leaves Linden, then passes through the towns of Farmington and Peters in San Joaquin County. Apple, cherry, peach, pear, plum and walnut orchards, and vineyards abound. A fully stocked rest stop will provide fuel and hydration midway through the ride.

Fees include maps, route sheets, route markings, pre-ride tech support and spare tubes courtesy of **Performance Bicycle Shop #55**, radio communications thanks to the **Stockton-Delta Amateur Radio Club**, support and gear (SAG) vehicles, and awesome volunteers. Fully stocked rest stops provide fuel and hydration; metric century riders will enjoy a wonderful lunch midway through the ride. **DeVinci's Delicatessen and Catering-Linden** will cater a scrumptious post ride meal; **Golden State Restaurant Group** will provide Fruit 'n Yogurt Parfaits for dessert. **Creative Sounds DJ and Sound Services** will entertain you at the finish. **PhotoCrazy, Inc.** will capture images of riders on the road, available for purchase after the event at [www.photocrazy.com](http://www.photocrazy.com). Remember the time you pass the camera—and smile!

Special thanks to **DeVinci's Corporation, Farmington Fire Department, Calaveras Keystone Lodge No. 78, and Stockton East Water District** for once again welcoming us, our financial and in-kind sponsors for supporting us, and the volunteers who make the event happen! It takes a village!
